I'm joining the @Tax March to set a clear reminder for @Donald Trump that all of us – regardless of gender, race, sexual orientation – deserve transparency from our elected leaders.

And I'm not alone. Thousands are marching across the country demanding that Trump show us what he's hiding. He owes us answers.

If you agree, help the movement grow. Join me: taxmarch.org.

#### Facebook Post 2

I'm joining the #TaxMarch with thousands of Americans to call on Trump to release ALL of his tax returns. We have a right to know the conflicts of interest of our elected leaders. Do you agree with @Elizabeth Warren and me? I hope you'll join us in this fight: taxmarch.org.
